

# APPROVED INSTALLER CERTIFICATE

THIS ACCREDITATION CERTIFIES THAT

## Eco Fence Cape

has undergone training for the proper installation of the products and systems as specified below. Furthermore, this accreditation underlies the issue of the Guarantee Certificate for the completed installation. It is your guarantee to a quality installation and ensures that the highest levels of service and workmanship are maintained.

**Nylofor Fencing Systems; Fortinet & Pantanet Fencing Systems; Betaview Systems and Betaview 25 Fencing Systems; Securifor 2D and 358 Flat Panel High Security Fencing Systems.**

Guardiar South Africa (Pty) Ltd t/a Betafence retains the right to withdraw this accreditation at any time due to any reasons it deems fit. The accreditation is limited to the installation of Guardiar South Africa (Pty) Ltd Betafence PVC coated systems as well as Zinalu 358 wire mesh panels. We in no way guarantee or accredit the installation of any other systems or products. For further information, please do not hesitate to contact the head office.
